End Date/Time: Wed 6/8/2016 9:30:00 PM

Hello Everyone - As previously mentioned, Tom, Alyse, Mary and I will be in DC on this date and would like to chance to go over the data we've collected at the West Lake Landfill since the 2008 ROD and what we are expecting in the FFS that will be coming to R7 in August. We also hope to set up a schedule with you for OLEM review of the proposed final remedy decision.
